Supplier Performance Review - Q3 2026
Prepared by Procurement Excellence for the Supply Chain Steering Committee.

1. Northwind Components
Northwind Components (supplier S-001) supplies the Hydraulic Pump HP-100 (product P-100) and the Control Valve CV-210 (product P-210). Purchase order PO-7001 was issued to Northwind Components on 2026-07-14 for 20 units of the Hydraulic Pump HP-100.
On-time delivery for Northwind Components was 97 percent this quarter.

2. Contoso Metals
Contoso Metals (supplier S-002) supplies the Steel Bracket SB-200 (product P-200).
Contoso Metals is certified by Bureau Veritas, an independent quality auditor, under certificate ISO-9001-4471. Purchase order PO-7002 was issued to Contoso Metals on 2026-08-02.

3. Fabrikam Plastics
Fabrikam Plastics (supplier S-003) supplies the Polymer Housing PH-300 (product P-300). The risk rating of Fabrikam Plastics was raised to high after two late deliveries in August.

4. Logistics
Shipment SH-9001 fulfils purchase order PO-7001. Shipment SH-9001 is carried by Blue Yonder Freight and ships to the Rotterdam Distribution Center.

5. Watch list
Contoso is reviewing a new alloy line; the committee will revisit its tier next quarter.
